

Website Accessibility Policy

The accessibility policy was approved by the Crown Mountain Park District board of directors on March 13, 2024.

Crown Mountain Park is fully committed to providing accessible facilities, elements, and channels of communication to all members of the public. As part of this commitment, Crown Mountain Park has a policy of providing an accessible website compatible with the Web Content Accessibility Guidelines (WCAG 2.1) and commercial screen reading software. All features of the website are coded to allow individuals with vision and other impairments to understand and use the website to the same degree as someone without disabilities. We welcome feedback and can often resolve issues in a timely manner if they arise.

If you need any special assistance or accommodations, please contact our accessibility officer or email crownmtdirector@sopris.net

Compliance Officer

Crown Mountain Park has designated Rebecca Wagner as its compliance officer for website disability-related accommodations. The compliance officer has received training in website accessibility and updates in accordance with those best practices. Contact our accessibility officer to report an issue.

Compliance Procedures and Reports

In addition to annual testing with users with a range of disabilities and coding our website to WCAG standards, The District regularly scans its website to ensure ongoing compliance and makes timely changes to any inaccessible items, if any are found. In our ongoing commitment to transparency, please reach out for any accessibility compliance reports.

Linked Documents and Third Parties

Please note that this site may link out to third-party websites, such as state or federal agencies, that do not have accessible content. This site may also include documents provided by third parties included in our agenda packets, for example. While we cannot control the accessibility of content provided by third parties, we are happy to assist any member of the public with reading and accessing content on our site.

Report an Accessibility Issue

We are committed to your ability to access all content. Per Crown Mountain Park's internal processes, issues or requests for accommodation reported via email to crownmtdirector@sopris.net.
